

## **NEW ISLAND ESCAPE DAY CRUISES FOR CRUISE WHITSUNDAYS**

Cruise Whitsundays now offer a greater variety of Island Escape Day Cruises. Long Island Resort is added to the Island Day Cruises. The Combo Cruise offers a full day including both a scenic cruise and an Island visit to Daydream.

The new Island Hopper pass gives people the flexibility of creating their own itinerary, jumping on board one of Cruise Whitsundays' vessels and hopping between islands at their own leisure.
